

# Endorphinomics Index of Positive Human Values

CLIENT NAME \_\_\_\_\_ DATE \_\_\_\_\_

## The Values that Enhance Individual and Communal Flourishing

Prioritize these values by rating each **Master Value** a **1, 2, or 3**. 1 means “very important,” 2 means “somewhat important” and 3 means “not important” to you. Go fast and trust

### > 1 PERSONAL OPERATING SYSTEM

#### Culturally Endorsed Values

- Work Ethic (industriousness, productivity, staying busy, diligence)
- Self-Direction (entrepreneurial self-starter, independent thought and action, need little supervision, master of own destiny)
- Competition (winners and losers, no monopolies or cartels, free markets)
- Respect for Authority (hierarchy, honor, social order, institutions, status)
- Conformity (fit in, suppress impulses that might upset others or violate social norms, harmonious group functioning)
- Heroism (self-sacrifice for the good of the group)
- Tradition (respect for customs, values and beliefs of one’s culture or religion; support group solidarity and survival)
- Purity (chastity; respect for taboos, customs and sacred objects and places; devoutness, piety)
- Prosperity (abundance of money, wealth and resources)
- Power (influence and control over money, people and resources)
- Status (respect, social recognition, admiration)
- Image (looking good, fashionable)

#### Personal Growth Values

- Positive Emotions (autonomy, competence, connection, self-esteem, pleasure, security, etc.)
- Self-Actualization (meaningful growth, positive change, integration of different aspects of self into a synergistic, holistic, authentic state of being, fulfilling your potential, adapting, flourishing)
- Personal Responsibility (conscientiousness, accountability, reliability, do what you say you’ll do, punctual)
- Self-Expression (individualism, non-conformity, being yourself, expressing your opinions and experiences)
- Self-Esteem (self-respect, honor, confidence, dignity)
- Integrity (authenticity, free from inner conflict and incongruities, will stand up for things that matter)
